Cigna Medical Plan Rate Sheet

Medical rates applicable for Cigna Connect plan insurance policies with effective dates of January 1, 2022 to December 31, 2022.

How to Determine the Medical Plan Premium (Rate)

1. In the Medical Rating Area Table, find the county your customer resides in and the corresponding rating area.
2. Find the page that identifies the rating area in the top right corner.
3. In the first column of that page, find the age of the policyholder.
4. Find the column which identifies the plan your customer is interested in. That number is the monthly premium.
5. If there is more than one family member, locate the premium for their age(s), and then add all the premiums together.
6. If there are more than three children under the age of 21, see Medical Plan Rating Rules.

Medical Plan Rating Rules

1. Medical rates apply to a maximum of 3 children under the age of 21.
2. Other rating rules (e.g. maximum dependent age, allowable relationships) vary by state. You can view State Eligibility Requirements located at [Cigna.com](https://www.cigna.com) select a state and county, and then click on the link on the "View eligibility requirements for your state" link on the right side of the page.
